**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT AND FOR CAUSE
AS FOLLOWS:**

Your Petitioner reports that the probationer has violated the following conditions of her probation:

The defendant shall refrain from any unlawful use of a controlled substance.

On May 8, 2006, Ms. Woodsbey admitted to the probation officer that she had relapsed and used crack cocaine on May 5, 2006. A urine specimen obtained from Ms. Woodsbey on May 8, 2006, tested positive for cocaine. The positive test was confirmed by Scientific Testing Laboratories, Incorporated, on May 22, 2006. An additional positive drug test for cocaine was received from Scientific Testing Laboratories, Incorporated, for a urine sample obtained from Ms. Woodsbey on May 15, 2006. The test result was received on May 31, 2006.

The defendant shall report to the probation officer and shall submit a truthful and complete written report within the first five days of each month.

Ms. Woodsbey was required to report to the United States Probation Office every Monday and Thursday morning. Ms. Woodsbey last reported to the Probation Office on May 15, 2006. A reporting notice was sent to Ms. Woodsbey's last known address on June 6, 2006, instructing her to report to the Probation Office on June 15, 2006. Ms. Woodsbey failed to report. As of May 15, 2006, Ms. Woodsbey has failed to report to the Probation Office on 11 occasions.

The defendant shall notify the probation officer at least ten days prior to any change in residence or employment.

Upon her return to Erie, Pennsylvania, Ms. Woodsbey established residency with her brother and his family. On May 22, 2006, contact was made with Ms. Woodsbey's sister-in-law, and she reported at that time that she had not seen Ms. Woodsbey for several days. The probation officer requested that if Ms. Woodsbey was seen, to please convey a message that she needed to report to the Probation Office. On June 23, 2006, the probation officer spoke with Ms. Woodsbey's brother, and he reported that the defendant had not been residing there for approximately a month. He added that he has had no contact with her during the same time period. It should be noted that the defendant has not contacted the Probation Office in the interim to report a change of address. Therefore, Ms. Woodsbey's whereabouts is presently unknown.

The defendant shall participate in a program of testing and treatment for substance abuse as directed by the Probation Office, until such time as the defendant is released from the program by the probation officer. Further, the defendant shall be required to contribute to the cost of services for any such treatment in an amount determined by the probation officer, not to exceed the actual costs. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter.

Ms. Woodsbey was referred to drug and alcohol counseling at Gaudenzia/Crossroads prior to her return to Erie, Pennsylvania. Ms. Woodsbey was to attend and participate in outpatient individual and group counseling. Initially, Ms. Woodsbey was compliant with the counseling program. However, Ms. Woodsbey ceased to continue her involvement in either individual or group counseling as of May 18, 2006.
